### **Why being yourself is a myth in life and business**

about sam ovens Sam Ovens is an entrepreneur from Auckland, New Zealand who dropped out of university and started 2x million dollar companies by the age of 24 working out of his parents garage.

### **Why You Need To Sell Yourself Before You Sell Anybody Else**

Week six is the final week in Sam Ovens' Consulting Accelerator course, and its focus is on some practical requirements for scaling a business to six and seven figures. This week is a bit of a hodgepodge, and it would benefit from a more consistent focus, but it does provide some very useful things for new and even experienced consultants.

### **In-Depth Review of Sam Ovens' Consulting Accelerator ...**

Why you shouldn't be yourself if you want to succeed in business with Sam Ovens Sam is the founder of Consulting.com, an e-learning company that helps everyday people start and grow successful consulting businesses.

### **Why you shouldn't be yourself if you want to succeed in ...**

Considering being a consultant opens up all kinds of ideas, but Sam Ovens seems like high end pricing for basically teaching you about something you're already good at. Teaching people about how to grow their business sounds like it will have huge growth, but I'm not confident I could do this, except perhaps as it applies to building an online presence.
